Building
for the
Future

BUILDING FOR THE FUTURE

Building for the future,
Takes patience, work, and care.
K.H.S. has these qualities,
With loyalty and pride to spare.
We are taught how to cope,
When life gets rough.
We've learned when to be tender,
And when to start being tough.
Nothing in life is impossible,
If the proper steps are taken.
The most important is to stand tall.
Don't let yourself get shaken.
Start with a little ambition;
Add some effort to make it flow.
Get your mind and thoughts together;
And on to greater things you go.
Kennedale High has given us the chance,
To live our lives to the fullest;
From the meek and timid bookworms,
To those who think they're the coolest.
Our teachers have built our confidence,
They have also stacked our minds.
Our coaches have built our bodies,
And given us confidence of a different kind.
We are the future generation.
The future depends on us.
In school we build for the future,
Enjoying it is simply a plus. .

The 1985-86 yearbook staff would like to express, for the entire student body, the appreciation felt for Barbara Sanders by dedicating this year's annual to her. Mrs. Sanders has served in the office at Kennedale High for six years. Her dedication to her work and aid to the students has been outstanding throughout the years. We would like to say "Thank You Mrs. Sanders" for all you have done!

HOMECOMING QUEEN

Homecoming is an exciting time for everyone at Kennedale High. All the classes participate in decorating the halls and building up the guys spirit for Friday night's game. As the crowd awaited anxiously the 1985 Homecoming Queen was announced. Angela Nevoit was crowned by last year's queen Janice Arter. This special night ended with a victory of 64-0 over Palmer.

After the volleyball team won the district championship, they were really excited. After returning to the school the night of that championship game, they all had excess energy. To release a little of that energy, a few of the girls decided to put the school up for sale. So they went around town collecting signs from the new houses for sale.

No harm came from this little incident; and the girls would like to express a "thank you" to the police department for their understanding of all the missing realty signs.

ONE LAST LOOK

The agony of defeat? ... That's very doubtful; there weren't many losses!

We had strength on our line, speed on our runners, and our receivers had great hands!

James Mitchell (Scrounge) the barefoot kicker.

Let us take one last look at the '85 football and volleyball season. It was a happy and joyous time, with the whole town feeling the winning spirit. The volleyball team taking district and advancing to a loss in area. The football team stole everyone's hearts as they won district; then everyone had tears of joy and feelings of pride as they beat Coleman in the 1st round of playoffs. The cheerleaders were always there with that extra push for the players and the loyal fans. This was truly a year to be remembered, and well worth "one last look."

Through the years "Coach Lamberth" has stood for "friendship, desire, determination, sportsmanship, and always giving 100%"

The seniors would like to express a special thanks to a special lady who never gave up on us, yet only strived to making us the best we could be. She gave us more than just basketball skills; she gave us friendship and a special way of looking at the world around us. Thank you for everything, your graduating athletes of '86.

HALLOWEEN . . . FUND-RAISER OR FUN-RAISER!?

It took weeks of work and preparation to transform a run-down old house into a dynamic fund-raiser for the Senior class. Many underclassmen and ex-students contributed their time and talents to make the haunted house a success. The house was open and operated for six days. News about the excellent job done traveled by hand-bills and word-of-mouth. Close to \$2,000 was made for the Senior class fund. The haunted house was great fun for every spook and goblin. Extreme appreciation is extended to all those who participated.

SHOW SOME PERSONALITY!!

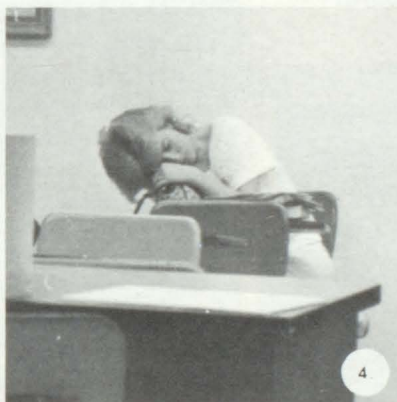

NO BETTER PLACE FOR SLEEP THAN . . . SCHOOL?!

That seems to be the philosophy for some Seniors to live by. As the day by day routine of school becomes an automatic cycle of bells and books. Some lay down their books and then rest their eyes in sequence. We were able to catch a few of these Seniors as they suffer from what Teachers fondly refer to as "SENIOR SYNDROME!"

Most seemed to prefer the traditional "on the desk" style, shown here by 1. Angela Nevoit, 2. Andria Reynolds, 3. Rita Elrod, Candy Moore, and Sabina Swindle.

However, Joy Horn preferred to use her purse as a pillow.

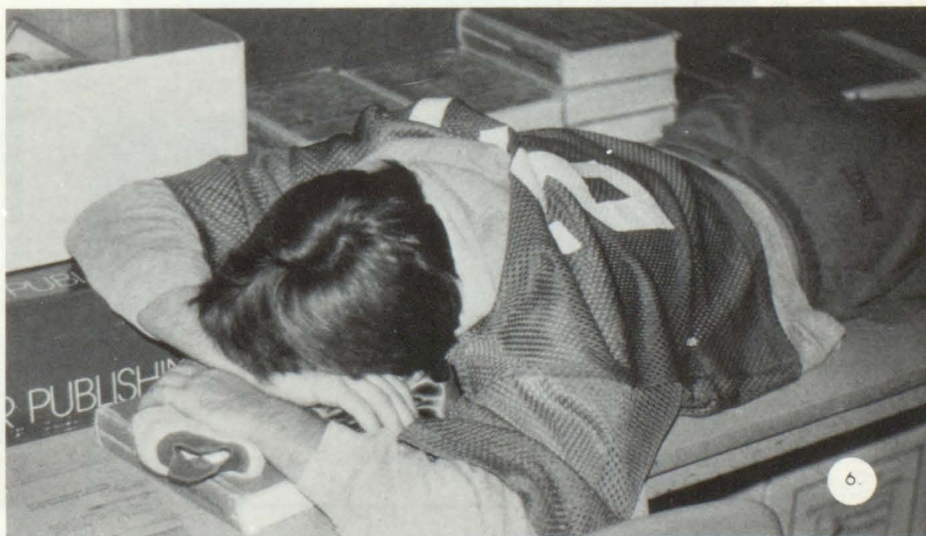

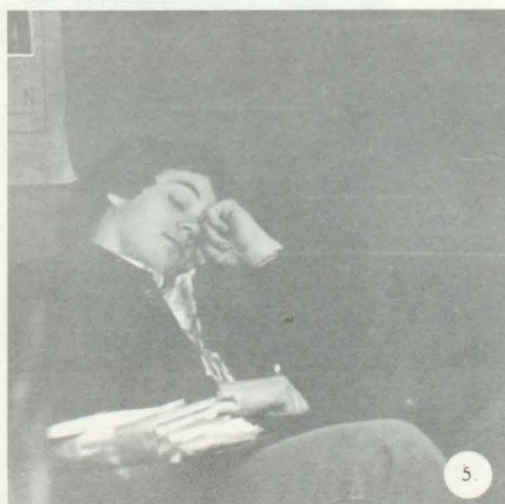

Darren Hastings uses the hand-and-wall approach.

James Mitchell proved to be the most comfortable and creative "form" of sleep, as he stretched out on the table in Mrs. Harper's English class.

these "forms" of behavior are not recommended for everyday use!

Hi Mom!

I think this is yours?

This year's Fall Sports Banquet was a good one. Both football and volleyball went to Area playoffs.

The award winners this year were: Rita Elrod received volleyball M.V.P., Doug Chandler and Beau Platt received the Most Valuable Back Award, Randy Hatcher and Pat Hindman received the Most Valuable Linemen Award, and Mike Nelson received the Cheerleader Beau Award. Doug Chandler was named Volleyball Beau, and the cheerleaders and football players exchanged gifts of appreciation.

I wanna hurry up and eat!

What's he doing here, I thought he quit.

What's she mad about, she got volleyball M.V.P.

The Senior Trip was filled with good times and memories that will never be forgotten. Those we have known throughout the year were brought together for a four day party.

The adventure took place in South Padre, April 18-21, in condo's at the Saida Towers. The seniors will never forget such times and sayings as: Party in the boys room. Isn't my bikini cute. Mike's night in those big closets, It's Ernest: "Hey Vern" He's my captain. Quarters: "I'm not Cheating" In the Hot Tub till 4 and 5 a.m. "A whole lot of men" Jenny's friday night date with the Tidey Bowl Man. Rita's date with him saturday night. Who's pizza? Those Whamies! The radio taking swimming leassons; and our show Coal Miners Daughter. This can all be summed up in one saying: WE PARTY HARD WE GET OUR KICKS WE'RE THE CLASS OF 86!

*As we reach out our hand
 The diploma we grasp,
 While we think of the memories
 Of the years in the past.
 Tears fill our eyes
 Because it's all gone,
 We're starting a new life,
 We have to move on.
 We hope friends will keep in touch
 As the years pass us by,
 Although it hurts inside
 We'll try not to cry.
 We think of Kindergarten
 And our first day,
 Now we've reached the end
 We are going away.
 How do you say good-bye
 To friends who mean so much?
 Will there be time
 To sincerely keep in touch?
 You'll always have the memories
 Of your school years from day one,
 Don't think of school as ending —
 Think a new life has begun.*

GOODBYE AND GOOD LUCK CLASS OF '86

The Class of '86 was a class filled with strong-willed and kind-hearted students. They stayed together no matter what. This caused headaches for many teachers because these students hated to see a friend in trouble, so they would help their friend, but they helped each other on classwork and tests a little too often! We, as a class, found ourselves growing closer together this year. All of the petty problems between us in the past seemed to disappear throughout the school year, and on graduation night there was nothing but love between us. Every student in the Class of '86 has great potential and it is certain that each one can and will meet their goals. I'm proud to say that I was a part of this winning class! Goodbye Sr's of '86, the world awaits you, show them what you have to offer! A wish you all the best. I hope this yearbook will hold many wonderful memories for you. May God be with you.

Love,
Yearbook Editor
Rita Elrod

The Class of '86 would like to extend a special Thank You to all of the people who have helped us make it through the years: Those special friends who kept us going when we thought the world would end; the special faculty who told us how much potential we really had, and made us see it and use it; and ESPECIALLY TO YOU MOM AND DAD!, you are always there for us and you always gave us just the right word or look to make everything alright. We love you both very much.
